

**Great Lakes Assemblies, LLC** (GLA) is a mass production, modular assembly, sequencing, and supply chain management company, providing its customers with modules configured in a lean manufacturing environment and delivered just in time. At GLA, we *“Build Quality, Delivered the Way You Want It, When You Need It!”*

### **GLA Mission Statement**

Great Lakes Assemblies through its Associates will deliver value-added manufacturing services and products that provide exceptional quality, are competitively priced and environmentally responsible

### **GLA Vision**

Great Lakes Assemblies will be the #1 Customer driven company providing unsurpassed quality through innovation and technology, exceeding the expectations of our Customers, Associates, and Shareholders.

### **Company Highlights**

- Joint venture between TAG Holdings (51%) and Midwest Express (49%), a wholly-owned subsidiary of Honda
- GLA is a Certified MBE (Michigan & Ohio Minority Business Development Councils)
- 110,000 square foot manufacturing facility
- Non-union facility
- Located in East Liberty, Ohio
- Produce more than 4 million modular assemblies per year - wheel assemblies, center console modules, and a number of other chassis, interior, and powertrain modules shipped to Honda plants in the United States and Mexico.
- Expanded product offerings to include automotive center console modules, tire pressure monitoring systems, and braking, chassis, & powertrain content
- ISO 9000 and ISO 14001 certified

### **Key GLA Accomplishments**

- The launch of GLA was flawlessly implemented with no drop in quality/delivery.
- Honda, GLA's customer and partner has confirmed the success of the launch and transition with significant new business opportunities, well ahead of the timeframe established in the planning stage of the joint venture.
- Have exceeded financial expectations each year of operation
- Have improved quality PPM 78% year over year; current PPM < 4
- Flawlessly implemented tire pressure monitoring technology into product/process

### **GLA Provides Critical Services to Honda:**

- Manufacturing & Assembly, including process design
- Logistics & Sequencing
- Purchasing and Supply Chain Management
